INSIDE INFORMATION – EXPECTED DECREASE IN LOSS

This announcement is made by Hin Sang Group (International) Holding Co. Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to the Inside Information Provisions (as defined in the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”)) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) and Rule 13.09(2)(a) of the Listing Rules.

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary review and assessment of the draft unaudited consolidated management accounts of the Group for the financial year ended 31 March 2024 (the “**Year**”) and the information currently available to the Board, the Group is expected to record a consolidated net loss of not more than approximately HK\$37 million as compared to the consolidated net loss of approximately HK\$49.2 million for the year ended 31 March 2023 (the “**FY2022/23**”). The expected decrease in consolidated net loss for the Year is primarily attributable to (i) the increase in revenue by approximately 13.7% for the Year as compared to the FY2022/23, resulting from the increase in demand for the Group’s products due to the general improvement in consumer sentiments as a result of the gradual recovery of tourism and retail industry in Hong Kong since the resumption of the normal clearance of travellers between Hong Kong and mainland China at the beginning of February 2023; and (ii) gain on fair value change of financial assets at fair value through profit or loss of approximately HK\$6.7 million for the Year (FY2022/23: loss of approximately HK\$1.3 million)

The information contained in this announcement is only based on the preliminary review and assessment by the Company's management on the information currently available, which has not been confirmed nor reviewed by the Company's auditors and the audit committee of the Board. The information contained herein and the financial results of the Group for the Year will be subject to further adjustment after further review by the Company's management.

The Company is still in the process of finalising the consolidated annual results of the Group for the Year. Shareholders and potential investors of the Company are advised to read carefully the results announcement of the Company for the Year, which is expected to be published on 28 June 2024.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
